

Coral Mountain's Environmental Policy

November 20th 2018

Coral Mountain is a privately owned business based near Wetherby, West Yorkshire.

It is an environmental consultancy business which;

- Develops and delivers Sustainability Programmes for companies and other organisations
- Focuses on engaging people, behaviour and communication planning in relation to reducing environmental impact.

Coral Mountain's aim is to encourage others to reduce their environmental impact through the services we deliver. We are committed to reducing our own environmental impact and believe in a 'do as I do' strategy, aiming to lead by example wherever possible. We are committed to continual improvement, pledging to;

- Source sustainable products and balance controlling reduced quantities purchased with cost
- Travel by public transport - mainly bus, also train when feasible and alternatively plan efficient journeys
- Print only when necessary, (eg final versions), double sided and turn off computers and other equipment when not in use,
- Use not toxic cleaning products, avoiding bleach
- Avoid, redirect and recycle waste wherever possible
- Review retro-fitting sustainability opportunities for the building to improve energy efficiency
- Purchase renewable energy
- Encourage those around us to make sustainable decisions
- Ensure compliance with all current environmental regulation
- Measure and
 - reduce car miles as a proportion of business mileage,
 - reduce paper usage overall and paper usage per delegate per event
 - reduce waste generated overall and increase percentage recycled.

Coral Mountain is has achieved Silver certification with iiE (Investors in the Environment) and is currently working towards achieving Green certification as the business has now been trading long enough to do so.

Coral Mountain will make this Environmental Policy available on the website www.coralmountain.co.uk.

The policy will be shared with employees. Access to a printed copy is available on request.

- The policy will be reviewed six monthly.
- Michelle Marks, the business owner is responsible for implementing and updating the policy and ensuring Coral Mountain continues to reduce our environmental impact.
